COMMUNICATION

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231
Attn.: Application Processing Division
Ms. Ivey

Sir:

This Communication is submitted to summarize and confirm a telephone conversation today between the undersigned and Ms. Ivey of the Application Processing Division. During that conversation, Ms. Ivey indicated to the undersigned that the May 3, 1995 Notice to File Missing Parts of Application was issued in error because a small entity status statement was provided with the application papers as originally filed. Accordingly, Ms. Ivey indicated that the Notice to File Missing Parts would be withdrawn.

Respectfully Submitted,
